

**Nazarene Preschool**  
**Approved Snack List – Revised 7/19**

In our efforts to be conscientious of the nut allergies in our building, we have developed this approved snack list. It is important that you buy **only the products and brands** listed and read the label every time you buy an item to be sent to school. Ingredient labels may change, please check the label for ingredients and manufacturer warnings “may contain...” or “made in a plant that manufactures...peanuts and/or any nut products”. Products with these warnings will not be served. Some classrooms may have special needs that will require changes to this list – classroom parents will be notified by their teacher. It is better to ask the teacher or director just to be safe. **Items not on this approved list will be sent home.**

**Daily Snack Items – EACH FAMILY IS ASKED TO BRING IN 2 ITEMS FROM THIS LIST WITH SCHOOL SUPPLIES**
